

# ICT DC-DC CONVERTERS SELECT MODELS DISCONTINUED

ICT is announcing the discontinuation of select models of the Isolated Series, Isolated Series 2 and Hazardous Location Series DC-DC converters.

The following models of the Isolated Series 2 are discontinued:

- ▶ ICT1224-10AI2 (12 to 24 V, 10 A converter)
- ▶ ICT1224-20AI2 (12 to 24 V, 20 A converter)

All other models of the Isolated Series 2 product family are available.

The following models of the Isolated Series are discontinued:

- ▶ ICT50100-20AIW

The following models of the Industrial Series for Hazard Locations are discontinued:

- ▶ ICT2412-15AH (24 to 12 V, 15 A converter)
- ▶ ICT2412-20AH (24 to 12 V, 20 A converter)

The ICT2412-10AH model is still available
